

REQUEST FOR PROPOSAL

For: Salesforce Consulting Services

The Rhode Island Commerce Corporation (“the Corporation”) is soliciting Request for Proposals from firm or firms qualified to:

Provide on-going support for system maintenance, enhancements and minor fixes for the Corporation’s Salesforce CRM system.

Corporation’s Intent:

The Rhode Island Commerce Corporation seeks to solicit consulting services related to its Salesforce CRM system. The intent is to solicit responses from those firms who have demonstrated knowledge and experience related to government and non-profit Salesforce implementations and support, as well as a proven track record of providing solutions to economic development organizations.

Project Overview

The Rhode Island Commerce Corporation is the full-service, official, economic development organization for the State of Rhode Island. A quasi-public agency, the corporation works with public, private and non-profit partners to create the conditions for businesses in all sectors to thrive and to improve the quality of life for our citizens by promoting the state's long-term economic health and prosperity.

Salesforce is a company-wide tool for use by all departments in the Corporation. The general objectives of the CRM system are to enhance activities related to business retention and expansion, business attraction and relationship management. Specifically, Salesforce is used to:

- Manage business relationships
- Track activity related to client visits
- Evaluate business impacts (value, growth, risk, and satisfaction) to identify issues and opportunities
- Track prospects, firm expansions, and/or startup projects each with project specific teams
- Coordinate service delivery to existing companies

The Rhode Island Commerce Corporation currently has 28 internal users. Additionally, we expect the potential for an additional 20 internal and 10 external users (external partners.) We seek a service provider that will provide consulting services as needed to support these initiatives.

Scope of Work

The consulting firm will assist the Corporation's System Administrator by providing as needed monthly support for the following:

- Salesforce, Sales Cloud system maintenance
- System customization related to the Corporation's new programs and services
- System buildout related to an expanded user community

Project Timeline

The Rhode Island Commerce Corporation seeks to enter into an initial annual agreement with the option for two annual renewal periods. Consulting services will be utilized as needed based on agency projects and initiatives.
